

# Michigan Charity Gets a New Website – Check Out [michiganfromtheheart.org](http://michiganfromtheheart.org)

Michigan From the Heart offers friendship and a little cheer to critically injured and ailing children. Their simple yet valuable mission: to improve the quality of life for the young patients at C.S. Mott Hospital.

The group needed a new website and someone to keep up with all their updates. We redesigned their old site into a new responsive site to showcase their good works, and to provide an easy way for others to donate to this worthy cause. Be sure to check back for updates on the Michigan From the Heart fundraisers and events, and consider donating to this fantastic group. Check out their site.
